Albox

€100,000

In the heart of Albox, a two-storey house, semi-detached, with 5 bedrooms, 2 bathrooms and 2 fitted kitchens.

Just a few tens of meters from all facilities and cozy center of the old part of Albox, spacious two floor apartment with a patio on the ground floor and a balcony on the first floor, ready to move in, fully furnished in very good and well-kept condition .

The property is located in a quiet street that borders the Plaza San Francisco at Albox. Through the front door, we enter a spacious hall with open access to the dining / sitting room with the living room to the right. On the left is the marble staircase, to the first floor, straight to the rear of the dining / sitting room, is the kitchen with a door to the private patio and a door to a short corridor, with the bathroom with toilet, sink on the right and shower and in the back of the first single bedroom. The neat kitchen has a double sink, fridge with freezer compartment and a washing machine.

to the right at the back of the dining / sitting room is the second single bedroom with very large built-in wardrobe.

Through the stairs already described we enter the second living room, with on the right the first and second double bedrooms with both doors to small private balconies, also with cupboard space.

On the left side of this living room through a door on the private balcony above the patio. Adjacent to the stairs we arrive in a fairly new, very recently finished kitchen with a 2 year old electric boiler (Energiewijzer C) followed by the second bathroom with a small (sitting) bath, toilet, bidet and sink and again the third 2 person bedroom with large closet.

As mentioned earlier, the house is fully furnished, ready to move in and very well maintained with a very characteristic facade.

Of course connected to water and electricity.

We are proud that we have taken this townhouse in the heart of Albox in our portfolio and to be able to show it to you Interest, or real sense in a townhousePlease contact Lilian, who will be happy to show you around
