Vera

€144,000

Spacious apartment with 2 terraces, a lift and a sea view in a closed complex with access control.

This spacious apartment (86 m²) on the third floor with lift consists of an entrance hall, a very light living-dining room with sliding doors to the impressive terrace of 18 m² with a sea view. Part of the terrace is closed with glass curtains, this makes it the ideal place to enjoy the winter sun!

There is a fully equipped kitchen with granite countertops and all appliances (fridge freezer, dishwasher, built-in microwave, ceramic hob and washing machine). There are three spacious bedrooms, all with fitted wardrobes and furthermore there are 2 fully fitted bathrooms, one with a walk-in shower and one with a bath. The apartment has a second huge terrace (60 m²) south facing, with unobstructed views of the mountains.

The property is sold fully furnished, including parking space and many extras such as glass curtains, air conditioning, ceiling fans, glass screens in the bathrooms and shutters. It has an excellent location within the complex with a very open view of the mountains from the front terrace and sea view.

This apartment is one of the few with this division in the complex, a visit is therefore highly recommended!

The urbanization to which this apartment is part is located at 1500m from the sandy beach of Vera, has 2 large outdoor swimming pools, children's pools, an indoor swimming pool with jacuzzi, sauna and Turkish bath for your winter holidays and sports fields (including tennis).

Al Andalus Thalassa is halfway between the historic city of Vera and the beautiful and unspoilt beaches of Vera Playa.

Vera Playa is around 5 minutes away, with white sand and crystal clear water. There are also plenty of bars, shops and restaurants and furthermore you will find nearby: a water park, 4 golf courses, the Natural Park of Cabo de Gato, the sports complex of Puerto Rey with gym, mini golf, tennis and paddle fields, a karting circuit ... In short, everything to enjoy the Andalusian way of life
